

# WHAT YOU MUST DO

We wish you all the best for your Grade 12 year. We hope that you will work very hard to do well and reach your full potential.

1. You will need to Purchase the Grade 12 Exam Fever Series Study Guide and Workbook. Its is R100 this year and all money must be paid to the finance office ONLY. Once you have your receipt, you may take it to Mrs Ramchurran or Mr Theron to collect your books. It is imperative that you have your study guides as soon as possible.
2. **Make a point of Enjoying doing your work.**
3. Since you will be attending school every second day, work will be set for you on Apollo for the days you are not at school. Your Life Sciences teacher will also give you further instructions when they see you. Make sure you are checking what work needs to be done. Completing the tasks set out for you on the days we do not see you will ensure we cover all aspects of the syllabus sufficiently.
4. **Listen** to what your Teacher is discussing from the slide projector.
5. **These slides**, with these notes, will be available to you on the Apollo.
6. You may also collect them on your own **flash drive** from your Life Sciences teacher. Please make sure you check the Apollo for any new work or activities.
7. **HighLight** key points in your ***Exam Fever Text Book***.
8. **Do the Questions** in the ***Exam Fever WorkBook***.
9. Mark these **Questions**.
